Officer's Note

Hi all...Wow, what a fun-filled (and often hectic) first month as president! I'm still getting my feet wet, but am receiving lots of advice, etc. and I'm excited as we head into the next couple of months. Sooooo many activities for club members to select from and I hope you will take advantage of at least some of them.

In case you haven't noticed, I'm really big on using the RCMC website, the forum, and e-mail in an effort to keep everyone "in-the-loop". If you're not getting e-mails from me, it's more than likely that I don't have your address or wrong address so we'll try and rectify that soon. Until then, keep visiting the website and forum for great info!

Remember, your officers are here for you. Please let me (us) know of your comments (good or bad) and ideas that we can use to take RCMC to the next level!

Lastly, I'd like to "welcome" all our new members and encourage those who are considering joining to....well, join! Besides the mixed bag of events, the club's members are a world of knowledge....and it's just plain fun.

And finally.....

The Rocket City Mustang Club is a wonderful way for all of us to make friends, share experiences, and have a good time while sharing in our love for these timeless classics – *Mustangs*. I am so impressed with how club members pull together in small-large groups to help out fellow members by offering a helping hand or advice whether it's car-related or a personal issue. These great cars brought us together, but it's our great membership that keeps RCMC a step above the rest.

Together, we have made a difference in many people's lives. Annually, our charitable donations have supported very deserving causes and the recipients know where the contributions came from.....you! So let's keep driving forward, do some great things along the way, and just have fun!

Peace and Happy Motoring.....
